It was announced that there will be a buy one get one free book fair at the end of March. We are looking for volunteers to work at the book fair.

A request was presented by Tim Bates to purchase playground items for a cost of \$300.00. A vote was taken and it was approved by a majority of those present.

A request was presented by the 5th grade asking the PTA to fund a trip to the Binghamton Mets in June with a cost not to exceed \$1,200.00. A vote was taken and it was approved by a unanimous vote by those present.

K-2 requested that we consider purchasing "Art Frames" for the lobby area of the Elementary side of the facility. They would be black frames that would hold student art work and be easy to change the art work. Mrs. Holleran will investigate the cost and we will budget some funds for next year.

The use of funds in general was discussed in planning for next year.

It was suggested that the Healthy Heart night be rescheduled for sometime in May. A date will be selected and notices sent out.

Staff appreciation day was brought up and it was suggested that it be held in May. The principals will get back to us with a date.

The meeting was closed at 7:30 PM.

Mark Smith - Secretary
