

Terry Davis

Year of Induction: **2016**

Year of Graduation: **1982**

A graduate of the Class of 1982, Terry Davis has been a loyal and lifetime Wildcat and an ever-present supporter of Johnson City athletics which makes him our inductee into the Athletic Hall of Fame as a contributor.

For 20 years, Terry has attended and helped at Varsity and Junior Varsity football games. Generous with his time, Terry has modeled an exceptional work ethic and character for our players throughout the years. He is one of the first people to arrive on a game day and the last to leave. He supports the team and coaches through set up and take down as well as throughout the games.

Terry Davis goes above and beyond during each season. His devotion to our student-athletes and program are unquestioned. Congratulations to Terry Davis, a true Wildcat!
