

Employees of the Board of Education who wish to take an active part in the political activities of our community are encouraged to do so. However, the Board shall not allow biased political activities of any individual or group within the classroom or during the school day. Any discussions of politics in the classroom shall be handled in such a manner as to give unbiased information. The employee shall not impose, or attempt to impose, the employee's point of view or political philosophy upon the students or other employees. Political activities shall not interfere in any manner whatsoever with the ability of the employee to meet the requirements of their assignments.
